Back Room System

IMI Cornelius is proud to introduce a new modular and pre-configured Back Room System designed for the environmentally friendly soda circuit product range Energize.

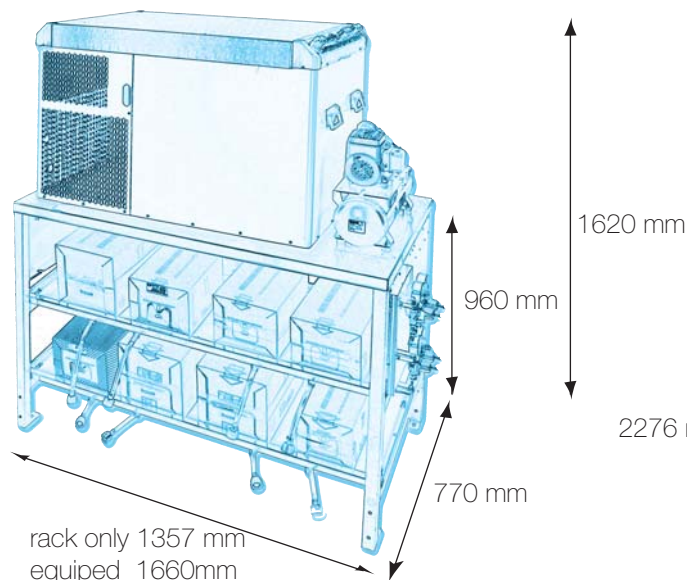

Key features

- All stainless steel back room stand to hold Energize4 or Energize5 unit
- 2 Shelves to hold 8 x 20 litre Bag-in-Boxes
- Side mounting panels for installing gas board and Quad Pack, MC3 or MH water filtration systems
- Integrated gas and water distribution panel with European regulators
- Integral pump panel with 8 syrup pumps, 1,2 or 3 bag selectors
